Typing II - Diane Hanthorn

Several choral and dramatic programs highlighted the activities program this year. An Open-House Program involving the High School and the Grade School, under the direction of Mrs. Shirley Rupp, was presented during National Education Week. Another program was presented before the holiday break. A presentation of the Gilbert and Sullivan operetta, *THE MIKADO*, directed by Mr. William Hawks, highlighted Spring Term. Musical direction was supplied by Mrs. Rupp.

Noon

Time

Special Education Programs Office Practice, G.E.D. and Teacher Aide positions. Joanne Enevoldsen and Tamie Holmes participated in Office Practice under Judy Berg, school secretary. These girls answered telephone, did filing, typing and simple posting. The G.E.D. program at the high school helped three people to achieve the equivalent of a high school diploma. Those receiving diplomas were Lisa Lindstrom, Astoria, and John and Margaret Girt, Elsie. Lozetta Williams was also enrolled in the course. Teacher's Aides, students from free periods, were used during various periods throughout the day. Duties included correcting papers, individual tutoring, musical accompaniment, shelving and checking out books, recess duty and other things as the need arose. This not only helped the teachers involved, but proved to be quite an eye-opening experience for the aides. Aides involved are as follows: Lonnie Foster--Music and Library; Rose Butler, Laurie York, Diane Hanthorn--First and Second Grade; Duke Wilson, David Twombly--Seventh and Eighth Shop; Steve Olstedt--Biology; Elaine Smith, Toby Norman--Seventh and Eighth Math; John Kerns, Steve Olstedt, John Wingenbach, Laurie York, Keith Borders, Greg Bellingham, David Samuelson--Library.
